

VIVANCO Indoor Bundle Tight-buffered Optical Cable

Brand: Vivanco

Availability: In Stock

Short Description

Indoor, tight-buffered, riser, SM/MM, 1-48F, dielectric, flame retardant

Description

Indoor, tight-buffered, riser, SM/MM, 1-48F, dielectric, flame retardant

Features & Benefits

1. Tight buffered fiber, easy for stripping
2. Aramid yarn as strength member for excellent tensile strengthperformance
3. All dielectric structure to prevent it from electromagnetic influence
4. Light weight, high flexibility, small bending radius and excellent performance

Specification

Fiber Type

G.652D/OM1/OM2/OM3/OM4

Fiber Core

1-48

Tight Buffered

Material

PVC

Diameter

0.9mm

Strength Member

Aramid Yarn

Sheath

Material

LSZH

Standard Compliance

ISO/IEC 11801

ITU-T G.651/G.652/G.657

IEC 60793-1

IEC 60793-2

IEC 60794-1

IEC 60794-2
