

# VIVANCO Outdoor Unitube Heavy-armored Optical Fiber Cable

**Brand:** Vivanco  
**Availability:** In Stock

## **Short Description**

Outdoor, central loose tube, double steel armor, SM/MM, 1-12F, PE, direct buried

## **Description**

Outdoor, central loose tube, double steel armor, SM/MM, 1-12F, PE, direct buried

## **Features & Benefits**

1. SM or MM optical fiber performance exceeds the standard
2. Excellent mechanical and temperature performance
3. Two parallel steel wires to offer good tensile strength
4. PSP improves the moisture penetration resistance performance
5. Water-blocking compound/material filled both in and out the loose tube
6. Excellent ultraviolet prevention with PE sheath
7. Double-armored design for harsh environments

**Specification**

<b>Fiber Type</b>	G.652D/ OM1/OM2/OM3/OM4	
<b>Fiber Core</b>	1-12	
<b>LooseTube</b>	Material	PBT
	Max. Fiber per Tube	6/12
<b>Strength Member</b>	Steel Wire	
<b>1#Armor</b>	PSP	
<b>1#Sheath</b>	Material	PE
<b>2#Armor</b>	Steel Tape (PSP)	
<b>2#Sheath</b>	Material	PE
<b>Standard Compliance</b>	ISO/IEC 11801	
	ITU-T G.651/G.652	
	IEC 60793-1	
	IEC 60793-2	
	IEC 60794-1	
	IEC 60794-3	

**Port Number**
