

# VIVANCO Outdoor Stranded Loose Tube Non-Metallic CSM Optical Fiber Cable

**Brand:** Vivanco  
**Availability:** In Stock

## Short Description

Outdoor, stranded loose tube, dielectric, SM/MM, 2-144F, PE

## Description

Outdoor, stranded loose tube, dielectric, SM/MM, 2-144F, PE

## Features & Benefits

1. SM or MM optical fiber performance exceeds the standard
2. Excellent mechanical and temperature performance
3. Water-blocking compound/material filled both in and out the loose tube
4. Excellent ultraviolet prevention with PE sheath
5. All dielectric structure to prevent it from electromagnetic influence

## Specification

### Fiber Type

G.652D/ OM1/OM2/OM3/OM4

### Fiber Core

2-144

### Loose Tube

Material

PBT

Max. Fiber per Tube

6/12

### Strength Member

Steel Wire

### Central Strength Member

72 core

FRP

72 core

FRP+PE

### Sheath

Material

PE

### Standard Compliance

ISO/IEC 11801

ITU-T G.651/G.652

IEC 60793-1

IEC 60793-2

IEC 60794-1

IEC 60794-3

## Port Number

VCFAUHHXXYPE
